### **Women's Care Center Banquet Tonight "Diamonds Out of Dust"**

#### **Compelling Testimonials and New Community Partnerships Highlight the Evening!**

The Annual Women's Care Center - Celebrate Life Banquet will be held Saturday, October 1st at the Bayfront Convention Center at 7:00p.m. Four hundred fifty guests and supporters are expected to attend and will celebrate lives that have been touched through the love and compassionate care of the Women's Care Center staff at three locations in Erie County.

Compelling client testimonies highlight the evening, as three different stories tell of personal crisis and unplanned pregnancies that brought them to the Women's Care Center, and how love, support and assistance from the staff made all the difference in their positive life outcomes!

This event is also used to update supporters of news and events over the last year. That news includes an expanded STD clinic at two locations, and a new partnership between WCC's Character Education program "Carrington's Wild Character Adventure", and Matt Harris' "Character be About It".

"We are so pleased to be able to partner with Matt Harris and his team of PA State Troopers! We found our programs to complement to each other greatly and we look forward to much success as they are delivered in classrooms throughout Erie and beyond!" commented Executive Director Brenda Newport.
